THE CREDENTIAL

Ashley High School's Concert Band and Wind Ensemble submitted recordings and were selected through the festival's application process. Both bands were selected. Separately, the program was named to the inaugural class of the NCBA Program of Distinction, a statewide recognition in its first year. These are two separate achievements from the same program. New Hanover County Schools produced both.

THE CAMPAIGN

A \$250,000 community campaign is underway so that no student has to miss this because of money. Civic leadership has an opportunity to demonstrate public investment in educational excellence. Donation portal: ashleybands.com/support-carnegie.
