Overview

This application demonstrates that the Eugene Ashley High School band program meets every requirement of the NCBA Program of Distinction. At the 2026 Eastern District Concert MPA, **both Ashley ensembles earned Superior** (Wind Ensemble, Grade VI; Concert Band, Grade IV). The program completed four summative performances, fielded active opportunities in **all four** additional participation areas (Honor Bands, Jazz, Solo/Small Ensemble, Pageantry/Athletic), and contributed multiple community outreach and advocacy efforts. The Spring Concert centered on the Wind Ensemble's performance of the complete *Symphony No. 1, "The Lord of the Rings"* (de Meij).
